3/16/64 - Huntley - Brinkley

On Johnson & C.R.

Two applause during his speech,
once when he promised aid help
for key country. Reference from
outside Dem. Party here (?!!!)
and once when he opened &
began "Mi querida" in other
words.

Pat Brown met us with usual storm of
cheers greeting Gov. De Sapio
Large reception but described
merely Dem. of F.K.J. CBS called
it "enthusiastic" & said my "Spanish had an
accent." Dr. J. memorizes speech in Spanish
